

Dear Sirs,

I am writing to you to ask that you not put the LPFM station in our area or any area to replace K-Love radio. K-Love is a great station and our family listens to it every day, not only in the car but it wakes us up in the morning! They give encouragement in a society that doesn't give much of it out! It is also a pleasant non invasive station to listen to, please do not take this away from any of the areas that have it! Thank you for continuing to let us make a good choice for our family. Sincerely, Nancy Loyd
